

## Sample Book Report on diary of a Wimpy Kid

This book is about a kid named 'Greg Heffley', who is a middle school student, and has to survive the year with his older brother Rodrick. His best friend Rowley Jefferson starts going down hill because he hangs around Greg too much. Greg also has a crush on Holly Hills, but he doesn't act on it, which only makes him make up lies about her in order for him to get closer to her. Greg tries out for the school soccer team but does not make it onto the team. He also buys funny costumes (which are supposed to be funny) to wear during Halloween but fails miserably; turning everyone against him.

I really liked this book because it seems like a real story on how middle school is.

The main character of this book is Greg Heffley. He's a young kid who has to survive his older brother Rodrick and all the kids he runs around with. His best friend Rowley starts hanging out with him only because of Greg, but then soon can't stand being around him. In addition, he likes Holly Hills but thinks that she doesn't notice him as anything more than a friend until later in the book.

I would recommend this book to teens from 12-15 years old because the content might be inappropriate for younger children. I think this book was good because it had so many funny moments and also showed some realistic things that teenagers have to deal with.
